

# SINGAPORE AIRSHOW

WHERE AVIATION'S FINEST MEET

## Be a part of Singapore Airshow

---

Asia-Pacific's aerospace outlook is robust with the International Air Transport Association (IATA) forecasting the region's air passenger CAGR growth to be 4.5% between 2019 to 2040. Tap on growth opportunities and secure your share of business success with an exhibition booth, or be a part of the action with a sponsorship.

## Book a booth

---

Showcase your company and its products to new markets with an exhibition booth, which provides you with the ultimate tool to access target audience of decision-makers across Asia who are seeking solutions.

Contact us for the current exhibition booth facts, figures, data and costs.

## Sponsor a space

---

Posture for brand visibility by sponsoring any of the expansive opportunities that aligns with your company's interests and needs. We present and customise packages that will allow you to present your brand before, during and after Singapore Airshow.

Contact us for more information on our latest Sponsorship Kit.

## Gateway to Asia Pacific

---

Singapore Airshow is a strategic node in the global aerospace and defence industry. Anchored in the aerospace hub of Asia, the biennial event is a gateway to a wealth of opportunities across the region. Since its inception in 2008, Singapore Airshow has grown in influence. Today, it is where aviation's finest meet for strategic dialogues, exchange of ideas and forge partnerships that will foster growth and sustainability in the industry.

# Programme highlights

---

## AeroForum

---

AeroForum presents thought leadership conferences, forums and webinars that facilitate conversations and debates on a wide spectrum of topics ranging from innovation to sustainability and talent

## AeroCampus

---

Today's young talents are the future of tomorrow, and AeroCampus provides a platform for students, aspiring aviation professionals and job-seekers discover exciting developments, explore higher education opportunities and embark on rewarding careers in the aerospace industry

## What's next

---

Nascent start-ups with revolutionary technologies will transform the aerospace and defence industries by showcasing their breakthrough concepts and pitching their ideas to potential investors, accelerators and corporate partners

## Weekend@Airshow

---

A festive weekend for aviation enthusiasts and families to immerse in a range of exciting activities that include mesmerising displays of static aircraft, aerobatic flying teams and meet-the-pilot sessions for photos and autographs

## Flying & Static displays

---

Up close and personal showcase of advanced aircraft on the ground and spectacular aerial performances in the air
